

Welcome

Home Health Agencies serves a huge reservoir of resources for people in need of health care assistance in their homes. Also, a wide variety of services can be performed in a person's home or familiar environment. These services can be provided when an individual or family member is in need of personal care assistance, specialized treatment or respite care for friends and/or family or loved ones.

A PLUS is a leader in home health care in Columbus, Ohio. We are a fast growing home health care agency catering to the health care needs of all our clients in Ohio. We employ nurses and allied health care professionals with experience and dedication to providing quality care for our clients as well as making a difference in the process.

Our services are completely paid for by Medicare, Medicaid and Other Private insurance that we are allied with, at no cost to you. We are inviting you to experience why A PLUS is the most reliable and trusted name in home health care in Ohio.

From our humble beginnings, we are now very proud to say that our team is one of the most trusted health care providers in the State of Ohio today. We want to keep as well as take good care of that trust.

Experience is a key factor in the home health industry and it should be kept updated at all times. This is why A PLUS is proud to give you our professionals that will be at your service at all times.

Our core Values incorporates our company credo which are Customer is first, Respect, Accountability, Integrity, Excellence, Professionalism and Compassion in our effort to deliver first class and enhanced care for our clients .

We value the contribution of the entire A Plus health care team of physicians, nurses, therapists, home health aides and administrative staff as well as encourage them to embrace and appreciate these values

Our Employees-in-service are the following:

- Registered Nurses
- Licensed Practical Nurses
- Home Health Aides

About

A Plus Home Health Care Agency, LLC (A PLUS) is founded on a need to care for others as well as a history of caring for others. We are totally committed to all the curative, restorative and preventive quality care, including the right of individuals to remain in their own homes, living and receiving care with dignity.

A PLUS was founded in 2011 and since that time we have become one of the most reliable and trusted home health agencies in Columbus, Ohio. All our professionals are registered, licensed or certified by the State of Ohio. Each of our employees receives frequent training in new techniques, procedures and treatments.

A professional staff member is just a phone call away, 24 hours a day, 365 days a year. We are always available to take your calls, answer your questions and give you the care you need.

We are a Joint Commission (Joint Commission on Accreditation of Health Organizations – JCAHO) accredited agency. We are bonded and insured for your protection and licensed in the State of Ohio as a Home Health Care Agency. We are also certified by Medicare, Medicaid, Passport, DoDD (Levels 1, 2 and I.O. Waivers) and we are a member of the Ohio Council for Home Care and Hospice.

We can provide you with all of your health care needs without ever leaving your home. Your care is under the supervision of a licensed nurse with years of experience in providing excellent quality care which may include, but is not limited to nursing care, occupational and physical therapy, medical social work and home health aide etc.

We also have working relationships with many doctor's offices, if you are in a situation where you have a need for a doctor and does not have one or want to change your doctor.

Our Services

All our services are constantly monitored and updated. Our goal is to make sure that all our clients are comfortable with the services we are providing for them. Also, we want our clients' family to be part of the decision making process in selecting the professionals they want to enter their homes and lives.

The services provided by all our staff members are tailored to fit the specific need of the clients in the familiar and calming environment of the patients' home.
